

GOTTSTEIN
TRUST

UNDERSTANDING WOOD SCIENCE COURSE

2020 PRELIMINARY PROGRAM

AS AT 29TH JANUARY 2020

FIELD TRIP				GUEST LECTURES AND Q&A SERIES	
An extensive field trip program - with Albury as our base camp. You will learn a lot from visiting leading Australian processing plants, plus guest speaker sessions.				Held in Canberra. This series will provide you with up to date insights relevant for 2020 and beyond. This is the chance to put your questions to the experts in the room.
